

Who Should Attend

Physicians, Nurse Practitioners, Nurses, Physician Assistants, Pharmacists and other healthcare team professionals who wish to increase their knowledge and competence regarding the management of patients with bleeding disorders.

Educational Objectives

After this activity, you should be able to:

- Identify how HCPs can support hemophilia patients when hemophilia treatment centers or pediatric hematologists are not readily available
- Discuss current challenges associated with the treatment and management of patients with hemophilia A and B
- Recognize coagulation disorders, including vWD, that can affect female patients and how these can be managed to improve patient quality of life
- Perform an effective problem-focused history and physical examination for evaluation of eligibility for VTE prophylaxis
- Discuss guideline-recommended approaches to appropriate selection of VTE treatment including deep vein thrombosis (DVT) management
- Describe the risk/benefit of ALL and AML treatment strategies when managing and caring for patients with leukemia

Accreditation Statement

EXCEL Continuing Education is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

EXCEL CE designates this live activity for a maximum of 4 *AMA PRA Category 1 Credits*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Physician Assistants: AAPA accepts *AMA Category 1 Credit*[™] from organizations accredited by the ACCME.

Nurse Practitioners: AANP accepts *AMA Category 1 Credit*[™] from organizations accredited by the ACCME.

Registered Nurses: EXCEL is accredited by the Florida Board of Nurses and designates this symposium for 4 contact hours.

Pharmacists: EXCEL is accredited by the Florida Board of Pharmacy and designates this symposium for 0.4 CEU's.
